The trademark-examining attorney has carefully reviewed the request for reconsideration and is not persuaded by applicant's arguments. No new issue has been raised and no new compelling evidence has been presented with regard to the point(s) at issue in the final action. TMEP §715.03(a). Therefore, the request for reconsideration is **denied** and the final refusal is continued. 37 C.F.R. §2.64(b); TMEP §715.04.

The filing of a request for reconsideration does *not* extend the time for filing a proper response to the final action, which runs from the date the final action was mailed. 37 C.F.R. §2.64(b); TMEP §§715.03 and 715.03(c).

Please Note - the examining attorney has found the applicant's amended identification of goods to be acceptable and therefore, does not raise a new issue for consideration. Evidence or amendments that are merely cumulative and are not significantly different from material previously submitted do *not* raise a new issue that requires the examining attorney to issue a non-final action. *In re GTE Education Services*, 34 USPQ2d 1478 (Comm'r Pats. 1994) (examining attorney properly determined that no new issue had been raised in request for reconsideration of final refusal based on inadequate specimens, where the substitute specimens submitted with the request were deficient for the same reason as original specimens). TMEP §715.03(b).

If the applicant has any questions regarding this correspondence, please telephone the assigned examining attorney.
